Transformed By Christ

Philippians 2:12-30 [Pew Bible p831]

Testimony of an authentic Christian (2 Cor 5:15; 1 Jn 2:6)

An authentic Christian is God's work-in-progress (cf. 1:6)

- who takes responsibility to grow in godliness (2:12-13)

- who lives distinctively by the Gospel in a godless generation (2:14-16)

- who serves sacrificially, cares genuinely, and gives wholeheartedly (2:17-30)

If you were to stand before God and present your testimony today, what do you think he will say to you?
